

Treble Clef Challenge

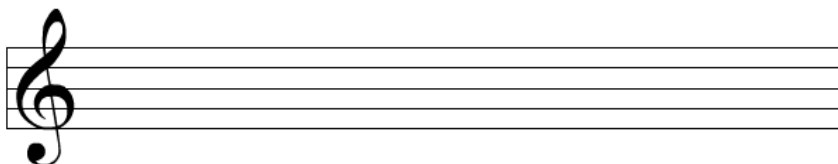

Make as many words as you can, using the letters of the treble clef.

Write the word underneath the staff.

Then, spell it on the staff using whole notes.

Start off by spelling ACE on the staff below. First, draw a whole note on space A. Then, a whole note on space C. Then, a whole note on space E.

Write the word underneath the staff.

Now think of your own words to spell. The person that thinks of the most words – and spells them correctly on the staff – will win a prize!
