Posture –	Are you standing tall with your hands at your sides?
Tone Quality –	Does the singing sound pleasant to your ear?
Balance & Blend –	Are the two parts balanced? Is one louder than the other? Does it sound like 80 people singing or just 1 or 2?
Intonation –	Are all the correct notes being sung?
Dynamics –	Are the dynamics being followed? Is there a difference between the loud and soft parts?
Tall Vowels –	Wide mouth or tall mouth sounds?
Diction –	Can you understand the words being sung?
